"Imagine" BY John Lennon. He died for his sanity, RIP.

Imagine there's no heaven
It's easy if you try
No hell below us
Above us only sky
Imagine all the people
Living for today... Aha-ah...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine there's no countries
It isn't hard to do
Nothing to kill or die for
And no religion, too
Imagine all the people
Living life in peace... Aha-ah...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will be as one

Imagine no possessions
I wonder if you can
No need for greed or hunger
A brotherhood of man
Imagine all the people
Sharing all the world... You...

You may say I'm a dreamer
But I'm not the only one
I hope someday you'll join us
And the world will live as one

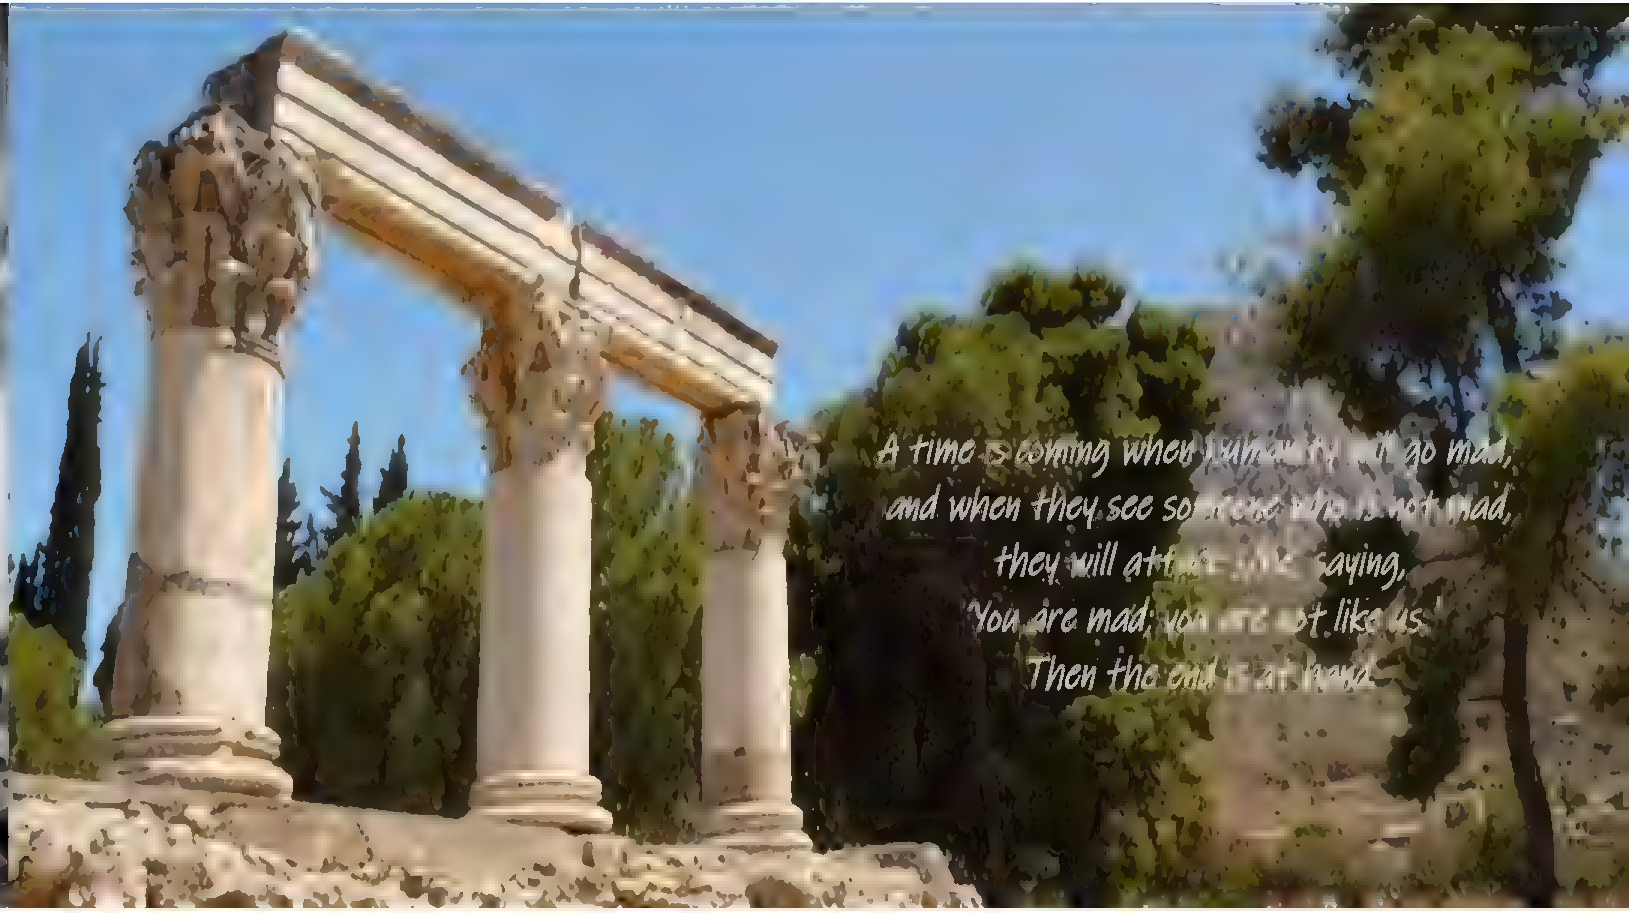
Women became the lynching mob in a Kangaroo Court.

Men were first silenced. Then the women suffered.



A time is coming when humanity will go mad,
and when they see someone who is not mad,
they will attack him saying,
'You are mad; you are not like us.'
